PROFESSIONAL EXPERIENCE

Automation Specialist | 24Fingers · Remote · Part-time | *May 2026 – Present*

- Designing and maintaining automation sequences (via Make.com and Pabbly) and troubleshooting integration issues.
- Maintaining Capsule CRM data integrity, managing pipelines, and organizing contacts.
- Executing, scheduling, tracking, and analyzing performance within Campaign Manager.
- Tracking deadlines, milestones, and dependencies in Teamwork to prevent bottlenecks.
- Providing administrative, documentation, and cross-functional communication support for remote, distributed projects.

Executive Assistant & Operations Coordinator | House of Lettings · UK-Based · Remote | *Apr 2026 – Present*

- Served as the CEO's primary operational partner to manage executive priorities and full remote operations; designed Google Sheets dashboards and standardized SOPs that reduced administrative overhead by 25% and significantly accelerated reporting cycles.
- Optimized and managed a portfolio of 80+ UK property listings across Zoopla, ZooplaPro, OnTheMarket, and Gnomon; coordinated vendor scheduling for viewings and maintenance while preparing leasing documentation to accelerate time-to-signature.
- Drove a 30% reduction in tenant inquiry turnaround times by implementing proactive communication workflows, templated responses, and centralized tracking systems that improved listing visibility and accelerated tenant placements.

Operations Manager | Sagility (Healthcare Account) | *January 2026 – June 2026*

- Drastically reduced employee attrition rates by introducing structured professional development pathways and fostering a collaborative, communication-focused remote culture.
- Engineered and executed weekly strategic glide paths for Team Leaders, ensuring clear operational benchmarks and uniform target achievement.
- Modernized daily operations by integrating next-generation digital tools and AI-driven reporting systems to streamline data tracking and eliminate workflow bottlenecks.
- Facilitated regular performance audits and cross-departmental alignment sessions to identify systemic gaps and implement immediate process improvements.

Associate Operations Manager | TechMahindra vCustomer (Telco Account) | *January 2024 – July 2025*

- Elevated client satisfaction metrics by executing rapid-response protocols to address customer pain points and implementing continuous feedback loops.
- Successfully balanced competing operational priorities, dynamic staffing requirements, and resource distribution to maintain peak performance during high-volume periods.
- Directly managed cross-functional team leaders and specialists, driving consistent target delivery, performance auditing, and professional development.

Operations Manager | Fusion BPO Services (Financial Account) | *January 2023 – January 2024*

- Authored and presented comprehensive monthly and annual operational action plans to key stakeholders, aligning floor performance with overarching corporate objectives.
- Met strict financial targets and protected account margins by estimating annual performance requirements and contributing to seasonal budget planning.
- Served as the final point of escalation for complex customer service issues, providing strategic coaching to frontline personnel to resolve high-stakes problems.

Account Manager (Intern) | Sykes Asia Inc. / Sitel Group | *November 2022 – January 2023*

- Partnered directly with corporate account stakeholders, bringing operational insights, data-backed recommendations, and strategic growth ideas to business reviews.
- Maintained deep proficiency in all technical applications, processes, and system knowledge to effectively manage operational performance against core KPIs and SLAs.

Team Lead | Sykes Asia Inc. / Sitel Group | *July 2021 – November 2022*

- Collaborated heavily with Workforce Management (WFM) to execute real-time schedule adjustments, optimizing auxiliary (AUX) variables and Average Handle Time (AHT) against forecasted volumes.

- Directed, inspired, and coached a large team of customer service specialists to continuously meet and exceed core operational KPIs and CSAT targets.

Team Lead | Fusion BPO Services (Sales Account) | *September 2020 – July 2021*

- Compiled, analyzed, and delivered granular team performance reports to executive leadership to highlight conversion trends and optimization areas.
- Formulated tailored training interventions and real-time feedback frameworks to accelerate agent ramp-up times and boost campaign conversion rates.

SME / Coach | UnitedHealth Group – Optum Global Solutions | *August 2017 – September 2020*

- Authored, updated, and structured comprehensive centralized knowledge resources, troubleshooting guides, and interactive FAQs to minimize resolution times.
- Served as the high-tier technical and process point of contact for complex healthcare compliance and operational inquiries.

Business Development Officer | Cituis | *February 2017 – July 2017*

- Spearheaded the operational transition of new client lines of business into active production, managing staffing projections and projected financial models.
- Acted as the primary operational contact for key accounts, ensuring successful campaign deployment and contract/invoice compliance.

Team Leader / Cebu Office Manager | Delivery 21 / Zomato | *December 2014 – May 2016*

- Designed and launched the foundational logistics, distribution, and schedule infrastructure customized specifically for the Cebu site operations.
- Analyzed historical order frequency data against corporate delivery requirements to forecast daily courier and rider staffing needs.
- Headed an outsourcing initiative for on-demand couriers, dramatically lowering fixed monthly overhead costs and preventing annual budget overruns.

EARLY CAREER HISTORY

- **Customer Service Representative (Healthcare Claims)** | Convergys (June 2016 – February 2017)
- **Customer Service Representative (Hospitality/Casino Booking)** | Teleperformance (October 2013 – December 2014)
- **Customer & Sales Representative (Seasonal Account)** | Taking You Forward (April 2013 – May 2013)
- **Technical & Sales Representative (Network/Routers)** | Concentrix (April 2009 – May 2011)
